

July 2017

Dear Friends,

On behalf of the City of Boston, I want to welcome all of our participants to Biotech Week Boston. This conference is a wonderful opportunity to showcase our best and brightest talent. It is our honor to host the incredible companies that are imagining and creating the future of biotechnology.

Boston is a hub for innovation, especially in the life science sector. We offer the best ecosystem for growing and supporting biotech companies. We are America's startup city and lead in venture capital. We are home to many world-class hospitals and research institutions and the talent that goes with them. We are always excited for opportunities to share our work on a national and global stage.

I want to thank you for sharing your talent and ideas with our City during this week and beyond. We are inspired by your passion, creativity, and dedication. I hope you enjoy your time in Boston, and I encourage you to take advantage of everything we have to offer during your stay.

Sincerely,

A handwritten signature in black ink, appearing to read "Martin J. Walsh". The signature is fluid and cursive, written on a light-colored background.

Martin J. Walsh
Mayor of Boston
